Golden Porsche, only possible in Russia...

Published on 15 December 2009

by Andy Panait in Misc., Porsche, Spy Shots

Shots of a Golden Porsche were caught in Russia, on the streets of Moscow. This Porsche supercar, already worth an overwhelming amount of money, is all gold plated. Got to admit this one is definitely from the "Russia Only" series. Along with Batman dressed people sleeping in the tube, huge tower-buildings out of wood and mansions in the middle of an arctic wasteland. They say that 40 pounds of pure gold were used to coat this Porsche. Check out the spy-shots below.

I can think of nothing more to add, the pictures say it all. If Cleopatra were to live today this is probably what she'll drive to work, um, palace ...

KEEP YOUR PORSCHE PERFORMING...

Genuine Service. Accept nothing else.

Servicing your Porsche for peak performance requires the skill of a factory-trained technician and the tools designed by the same engineers who built your car. Insist on Porsche Genuine Service and Porsche Genuine Parts—and leave the compromising to the politicians.

Saturday Morning Breakfast Social

The Saturday morning Breakfast Socials are held the first Saturday after the monthly KyPCA meetings. They are at the Frisch's just off the Watterson (I-264) and Poplar Level Road (exit 14) here in Louisville, first coffee is at 8am.

The only purpose is to get together with other Porsche owners for a very informal breakfast and BS session before starting the Saturday 'Honeydoos' . Sometimes there is a Saturday drive or event and this can be the start place. Or maybe we will visit someone's garage for a check on a recent project, being it a car restoration or other project of interest.

The breakfast buffet at Frisch's is pretty good or you can order off the menu and they keep the coffee coming.

Mark your calendar for the monthly meetings AND the Saturday Breakfast. If you are not a 'meeting' kind of person, surely you can join us for breakfast.

Don't forget to drive your Porsche, as we often have parking lot 'tech and admiration' sessions.

No reservations required, just show up....Any questions or comments, feel free to contact me.

President's Report

Tony Proasi—KY Region President

I hope everyone had a great holiday season and a new year. I'm very proud and happy to be serving as the president for 2010 and hopefully it will be a good year for everyone. Just a couple of things I would like to mention - if you are a new member. Please come out to one of our monthly meetings! And if you are an "old" member but haven't been around in a while, drop by! Talking to fellow Porsche owners I hear all the reasons for not being a participating member and the main one is my car isn't.... (fill in the blank). Believe it or not, I hear this from Boxster owners to 944 owners! I just want to say "get in the car, come out, and have a good time". I promise we all have at least one thing in common and it is an admiration for all things Porsche.

I would like to thank all of the board members for a great year last year. The 50th was awesome, two great DE's, and a great newsletter. Let's all try make 2010 even better. If anybody has any great ideas for this coming year, step forward and let your voice be heard. Remember this is your club, you paid the dues, so participate and let's have a great year! Also I would like to let everyone know if you have any questions or comments please drop me an email or a phone call.

Thank you,
Tony Proasi

Bloomberg Names The New Porsche Panamera its 2009 Car of The Year

Sports car for four' is praised for its driving dynamics and comfort

ATLANTA, Dec. 10, 2009 – Bloomberg News today announced the 2010 Porsche Panamera as its Car of the Year for 2009. This is Bloomberg's first-ever Car of the Year selections, with seven categories in all, including Car of the Year, Green Car, Economy, Family, All-Around SUV, Sports Car and Executive Sedan.

All eligible contenders were evaluated by Bloomberg's weekly auto columnist, Jason H. Harper, who drives and tests hundreds of luxury, sports and alternative-fuel autos each year. The selectees were evaluated in terms of overall performance, intelligent design and smart style, desirability and build quality. To qualify, models must have been new or significantly revised for model year 2010, and be on sale by the first quarter of 2010 (article link: <http://www.bloomberg.com/news/spend/auto.html>).

Porsche's first four-door car and the company's fourth model line went on sale in October, joining the company's successful stable of performance thoroughbreds: the mid-engine Boxster and Cayman, the Cayenne SUV and the iconic 911 Carrera.

The Bloomberg recognition comes on the heels of the Panamera receiving an Edmunds Inside Line Editors' Most Wanted 2010 trophy at the 2009 Los Angeles Auto Show (article link: <http://www.insideline.com/features/2010-edmunds-inside-line-editors-most-wanted-awards.html>).

All Three Panamera Models Deliver High Performance and Low Fuel Consumption

Initially offered in three versions – the 400-horsepower, two-wheel drive Panamera S and all-wheel drive Panamera 4S, and the 500-horsepower, twin-turbocharged, all-wheel drive Panamera Turbo – the new Panamera provides Porsche performance and quality, as well as a level of comfort absent among true high-performance cars.

The Panamera is the first premium car to feature an automatic engine start/stop system used in conjunction with seven-speed double-clutch transmission. This system saves fuel and reduces emissions by turning the engine off when it is not needed, such as sitting at a stop light. All engines have advanced and fuel-efficient Direct Fuel Injection (DFI), as well. Porsche engineers also focused on weight savings and lightweight technologies to further enhance fuel efficiency. As a result, the Panamera S and Panamera 4S deliver 16 mpg city/24 mpg highway (19 mpg combined), while the Panamera Turbo achieves 15 mpg city/23 mpg highway (18 mpg combined). Amazingly, these figures were achieved without activating the standard auto start/stop system. All Panamera models are not subject to the gas guzzler tax and provide the best fuel economy in their competitive set.

The manufacturer suggested retail price (MSRP) for the Panamera S is \$89,800, while the Panamera 4S and Panamera Turbo retails for \$93,800 and \$132,600, respectively.

- By: *Stephen Calogera*

Monthly Membership Meeting Minutes

By Chad Rainey

Monthly Membership Meeting Minutes

Date: 12/14/2009

Location: Bluegrass Porsche

Officers Present: Steve McCombs, Pres.; Jeremy Miller, VP; Tony Proasi, Secretary; Richard Darnell, Treasurer

Board Members Present: Edgar Smiley, Jim Deppen

Chairs Present: Ken Daugherty, Membership Chair; Belinda Schweinhart, Newsletter Chair

Attendance: 19 members

The meeting kicked off around 7:15pm and was brought into order by the President.

Topics Discussed:

Steve McCombs talked about a letter from the National PCA. The letter thanked the Kentucky Region for it's continued efforts and to keep progressing in the future and to go forth.

Treasurer, Richard Darnell, says we have money. He reminds us that the financial statement will be out in January and that there is a net loss this year of about \$20,000. Some of the loss is due to pre-payments of next year's DE track fees.

Secretary, Tony Proasi, gave us the election results:

President: Tony Proasi

Vice President: Jeremy Miller

Treasurer: Richard Darnell

Secretary: Chad Rainey

Board Members: Mark Lichtefeld and Andy Daugherty

Steve then mentioned that the wine tasting event will most likely be in early February and they will post the date in the newsletter and online.

He also mentioned awarding trophies to selected members for their outstanding efforts this year. He will award these members when the trophies are ready.

Steve reminded us that there is one page of photos from the 50th anniversary party in the current "Sophisticated Living" magazine and that those can be picked up before the end of the year at some local bookstores. He also said that the 50th anniversary party was in "The Voice" newspaper as well.

For the most up-to-date information, please use the award winning KYPCA website. It has ALL the latest information and a new forum to communicate with your fellow members. The website is at <http://www.kypca.org>

The next meeting will be held at El Tarasco (110 Fairfax Ave) on January 11, 2009 at 7pm. See you there!

Wishing you and yours a Winning Holiday Season

Ken's Ramblings....

This is the Holiday season and I want to take this opportunity to wish my politically correct acquaintances:

Please accept with no obligation, implied or implicit, my best wishes for an environmentally conscious, socially responsible, low-stress, non-addictive, gender-neutral celebration of the winter solstice holiday, practiced within the most enjoyable traditions of the religious persuasion of your choice, or secular practices of your choice, with respect for the religious/secular persuasion and/or traditions of others, or their choice not to practice religious or secular traditions at all. I also wish you a fiscally successful, personally fulfilling and medically uncomplicated recognition of the onset of the generally accepted calendar year 2010, but not without due respect for the calendars of choice of other cultures whose contributions to society have helped make America great. Not to imply that America is necessarily greater than any other country nor the only America in the Western Hemisphere. Also, this wish is made without regard to the race, creed, color, age, physical ability, religious faith or sexual preference of the wish.

To My Friends:

Merry Christmas and a Happy New Year!

Now...I want to state right now that I don't like cold weather. I grew up in West Virginia and cold winters were common. Then I went in the Army and spent a winter in Korea with the First Cavalry Division in the DMZ area, that reinforced my dislike for cold weather. The good part of my Korean 'visit' was that it was after the shooting ('58 & 59).

So I will spend some time this winter cleaning my basement 'man cave'. I will save some stuff, I may sell some, and some I will just throw away. No matter how much extra space I gain it will quickly be filled with more 'stuff'. Remember that 'nature abhors a vacuum' (and an empty shelf). I also plan to sort thru the garage and see what I really don't need.

This time last December, John and Shelley Howe, Mike Long, Andy and I were working on the 356 Registry East Coast Holiday at West Baden in French Lick Ind. When we won the bid, to host the 356 Registry Holiday, we realized that planning would consume all of our spare time, it did. But I must say it was worth it. We had over 300 attendees and about 200 356's. The weather was perfect and West Baden was the perfect setting for the weekend.

I just learned that the 2010 356 Registry ECH will be in Cleveland the third weekend in September...

Now is time to be thinking about next spring and things to do with our cars. Let me ask that folks with ideas contact Tony Proasi and offer your suggestions. Don't just make suggestions, offer to help make them some to pass. Tony's contact info is in this Pacesetter, as are the other officers.

The spur of the moment drives are great. Keep them up. Use the website and the yahoo list to contact other members (see how to join the Yahoo list elsewhere in this Pacesetter).

On the subject of drives, I must comment that the drives sometimes turn into a speed event. That is not a good idea. It 'tends' to turn off the folks that enjoy a leisurely drive and can cause problems, accidents, arrests, etc.

We must also be aware that if it is a KYPCA event it must be insured. Contact Tony for that requirement. If it is just a few friends getting together and it is NOT a KYPCA event I don't think insurance is required. I will ask others with better information to comment on that issue.

One drive I would suggest is a trip back to West Baden. The southern Indiana roads are great for cruising. The destination is first class also.

We had our most recent KYPCA membership meeting at Blue Grass MotorSports. The upstairs room is perfect for a meeting and the pizza, etc., helps draw a crowd. It is always a pleasure for me to see the new Porsches on the showroom floor. At this visit I had the pleasure of seeing for the first time (in person, not in pictures) the new four door Porsche. This one was black and had all the bells and whistles. Stunning is what I can say. I never thought I would like a 4 door anything but this Porsche did it for me. It puts the big MB's, BMW's etc to shame. Now all I need to do is win the lottery.

Some final thoughts:

*Did you know that in the Yellow Pages there are 56 pages of ads for lawyers. I also heard that 99% of lawyers give the rest a bad name. That's ok, 100% of politicians...oh you get the idea.

*Depression is merely anger without the enthusiasm.

*A clear conscience is usually a sign of a bad memory (attributed to old age?).

*Why do psychics have to ask your name?

and my favorite

* Inside every old person is a young person wondering 'what the hell happened?'

Last Saturday evening (19 Dec) the History Channel had a two hour special using amateur video of the events of '9-11'. It was a sobering retelling of the terrorist attack on the US. As I listened to the radio transmissions of the firemen in the tower and knowing that within a few minutes they would be killed in the building collapse. ...And 'they' want to give the planner of that horror a trial in US soil?

Just remember George Santayana wrote 'Those that cannot remember the past are condemned to repeat it'.

Ken Daugherty
Kend356@insightbb.com

Thought for the month:
I disagree with Kay Jewelers. I would bet on any given Friday or Saturday night more kisses begin with Miller Lite than Kay.
