President's Report

Steve McCombs—KY Region President

The 2012 Kentucky Region calendar year is off to a roaring start. The After Holiday Party was a huge success with 42 people attending, good food and wonderful door prizes, and drinks for all. If you missed it you really missed a good time. So to keep the wheels moving, I asked our activities chair Steven Rountree to put together a list of events for this year. Hopefully one event in March would be a wine tasting event (more information about this event to be posted on our website).

Speaking of the Kentucky Region website, have you signed up on our website to get these notices? It's very easy to do and I highly suggest you do it soon before you miss out on some interesting upcoming events. We are proceeding forward with placing the PaceSetter on the website only and discontinuing the mailed paper version. As you noticed last month the newsletter was really late in getting to everyone because of problems with our printer. Our efforts, in 2012, are to make Club information real time and give as much notice as possible. My hopes are to roll out a review of the features of the website PaceSetter so you can see what our plans look like. Right now I foresee the paper version still being mailed out until the August time frame (and it could be longer if we don't have things in place).

As President, one of my duties is to make the club enjoyable and interesting so your attendance to events is worthy of your time. The only way I can help make that happen is to hear from the membership on things they would like to see and do. Each month I ask and ask again with no response. I know you all have some ideas, likes, and or interests that you would like to share. So I will continue to ask for your comments and/or requests about ways to have fun with your Porsche and others who enjoy theirs too. I'm waiting by the email box or the phone to get your thoughts. Don't let us down.

The February meeting will be at the Fox and Hound Pub and Grille.

See you there.

Steve McCombs

The Club

AT PUTNAM PARK

The Club is a country-club style lapping day member-only group that offers exclusive lapping events at the facility, limited membership, access to member-only clubhouse, private showers and bathrooms, and the opportunity to lease garages for storage and maintenance of your vehicles.

The Club will offer 100 days of member-only lapping each year, beginning in March and running throughout the season. Initial Charter membership is set at 40, with an expansion plan in place that allows for additional lapping days with increased membership. Members must be at least 21 years old and have completed a minimum of five events.

Many of The Club lapping days will be held from 9:00 a.m. to 5:00 p.m.. However, about 1/3 of the days- a day per week- will be held from 12:00 p.m. to 8:00 p.m.. This allows for Members to work and then get out to the track for afternoon/evening lapping. There will be 3 run groups: track-prepared cars, race-prepared cars, and formula/sports racers. Passing will be allowed in all areas, and therefore only the most experienced drivers will be accepted.

There is an initial membership fee as well as a flat annual fee for each membership type. There are three memberships available: **Founding, Individual, and Corporate**. Applications are being accepted now, with the first 20 Individual Membership Applications receiving the discounted membership of \$5,000.00.

Please go to www.putnampark.com for complete information and download membership applications, or call toll-free (866) 702-0303.

Diagnostically speaking, there is no substitute.

The best equipment. And the best minds trained to use it. These are your Porsche certified technicians. Dedicated to Porsche vehicles above all else, they must complete over 80 hours a year training in the latest diagnostic technology and techniques. You'll also take comfort knowing all Porsche genuine parts are factory-backed for two years when installed by your authorized dealer. Better still, there is no substitute for having your vehicle serviced by professionals who not only know Porsche, but live Porsche every day.

Saturday Morning Breakfast Social

The breakfast club continues to be a good thing despite the "day off early hour". Most of the turnout is made up of members with older Porsches. 356's, 911's, 912's, 914's & 944's grace the parking lot with a Boxster or a Cayman in the mix to look after the older rides. The owners are really hands-on people with their cars. The conversations over coffee are always geared to what they have done themselves to keep these senior Porsches in first class condition. No dealership repairs for this bunch! The Saturday breakfast participants really are the "Patrons Of Older Porsches".

The menu at Frisch's is extensive, the breakfast bar is wonderful and the coffee is just right. We've discussed a time change for this event but reconsidered until we see how going back to standard time works out. The early time does allow everyone to make it to Cars n Coffee in the East End without rushing. This is a fun bunch of members, come join us. We would enjoy seeing all of you there.

No reservations required, just show up.
