Diagnostically speaking, there is no substitute.

The best equipment. And the best minds trained to use it. These are your Porsche certified technicians. Dedicated to Porsche vehicles above all else, they must complete over 80 hours a year training in the latest diagnostic technology and techniques. You'll also take comfort knowing all Porsche genuine parts are factory-backed for two years when installed by your authorized dealer. Better still, there is no substitute for having your vehicle serviced by professionals who not only know Porsche, but live Porsche every day.

Saturday Morning Breakfast Social

The Saturday morning Breakfast Socials are held the first Saturday after the monthly KyPCA meetings. They are at the Frisch's just off the Watterson (I-264) and Poplar Level Road (exit 14) here in Louisville, first coffee is at 8am.

The only purpose is to get together with other Porsche owners for a very informal breakfast and BS session before starting the Saturday 'Honeydoos'. Sometimes there is a Saturday drive or event and this can be the start place. Or maybe we will visit someone's garage for a check on a recent project, being it a car restoration or other project of interest.

The breakfast buffet at Frisch's is pretty good or you can order off the menu and they keep the coffee coming.

Mark your calendar for the monthly meetings AND the Saturday Breakfast. If you are not a 'meeting' kind of person, surely you can join us for breakfast.

Don't forget to drive your Porsche, as we often have parking lot 'tech and admiration' sessions.

No reservations required, just show up....Any questions or comments, feel free to contact me.

President's Report

Steve McCombs—KY Region President

I wanted to thank everyone for attending January's monthly meeting and I apologize for it being a lengthy meeting. I promise that future meetings will be shorter and with content interesting to the membership. As I've stated in many past newsletters, we will be focusing on new members this year. My hopes are that new members will feel welcome and part of the group right off the bat. It's the new members that will be the future of the Kentucky Region. We all should be proud of the group of people we now have and with a diverse interest in various events within the club. This makes our group worth joining. So I ask for everyone's involvement and support to make this a club worth belonging to. This is your club, you make it what it is or what it isn't. And your opinions count to help make this a worthwhile organization to be a part of. Please help me make this fun.

As you may have known, we had our After Holiday Party on January 15th and 40 club members attended to make this a really nice event. I would like to thank the committee for their efforts on making this a fun event with good food and drink. I especially would like to thank Bluegrass MotorSports and Randy Biery for the great door prizes (complete weekend at the upcoming June DE and a 2011 Porsche calendar) and to Bub Theobold of PrintMyRides for his great door prize (a very nice poster art of your car). Thanks to all who attended. If you weren't there you missed a great time!

Like everyone, these economic times are placing pressures on all groups, and we are no exception. We will be facing certain changes that we will be trying to implement throughout this year. The main one would be placing the monthly newsletter (Pacesetter) online only. The Pacesetter newsletter is a huge expense for the club, at approximately \$400 a month to produce and mail. We must address this going forward. We will be making a strong attempt to eliminate mailing out hard copies and going paperless, with establishing a web style newsletter. And with our award winning website, this will only enhance the communication between us. This approach will offer several options we've never seen with the paper copy: color graphics, videos, forums and the ability to have an archive of past Pacesetter's to review at any time. A team will be put together at the February meeting to explore this option in detail, with a goal of having it ready by late Spring 2011. At first this will not be an all or nothing plan but we will be working strongly in that direction. Secondly, we haven't established a yearly budget for a long time. We will be doing so soon, so we can get back to having added benefits like two DE's per year, a yearly party, and maybe sponsoring dinner sometimes at the monthly membership meetings.

The Officers of the Club are always open to suggestions and new ideas especially on what you would like to see different whether it's an event, a drive, or the way the club's being conducted. Let us know, we'll take it to heart and see what can be done. So we'll see you at the February meeting, again being held at T.G.I. Friday's in Plainview.

Steve McCombs (2011 Kentucky Region PCA president)

As a side note:

Back in the Fall I was out for a driving in my Porsche and I noticed an old time tradition that wasn't being done anymore, and that was acknowledging another Porsche driver either coming towards you and driving in your direction by flashing your bright headlights several times. Then I saw a short statement on the internet about just that. So I ask you to read the following and keep that in mind when we pass each other on the highway. Who knows, it may bring a bright spot in your day and add a smile to your face.

SAVE THE FLASH

Doesn't matter what model Porsche you drive, please remember to greet other Porsche drivers with a cheerful headlight flash and/or a hand wave and/or a horn toot. Even if they signal you from another make vehicle, chances are they have a Porsche as another car or maybe they just like Porsches!

● Steve McCombs introduced the officers for 2011:

- Steve McCombs – President
- Jeremy Miller – Vice President

- Chad Rainey - Secretary

- Andy Daugherty—2010-2011 Board Member
- Jason Miller – 2011-2012 Board Member

Steve also emphasized the importance of new members and that we should welcome them and introduce them to everyone. New members are key to the future of the organization and to bringing in fresh ideas and enthusiasm!

Steve then mentioned that the club is what the members make of it. Any positive comments are very welcome and can be sent to him or any other officer. He is very interested in making the KYPKA the best club and to have fun with Porsches!

He also mentioned that the club bylaws are on the website and that members can review them and that all officers should be familiar with them, especially their duties.

Steve also gave us some history on how the KYPKA became one of the best PCA regions. One of the memories that came to mind was the event in Bowling Green at the Corvette Museum called "The Visit". He noted that several PCA executives were in attendance and several awesome speakers! There is a paver near the entrance to the museum for the KYPKA as well!

Activities are going to be the main focus for 2011. Steve would like to do the regular events and come up with some different things to do as well. If you have any suggestions, please let him know.

- Richard presented the financials and had a real chart this time!!!
- Jeremy stated that we are having both DE events this year in early June and late September.
- There will be an executive meeting at Bluegrass Porsche for all club officers on January 31 at 7pm.
- Steve also thanked Belinda for putting together and editing the newsletter each month! She does an excellent job!!!

Next meeting is on February 14 at T.G.I. Friday's. Hope to see you there!

Ken's Ramblings....

Not a lot to report this month, just nasty weather and I'm getting very tired of the cold. I am allergic to 'cabin fever'.

Progress is slow going on the Cabriolet body but we're getting there. Andy's helper also works at Ford and has been reassigned to Detroit while the Fern Valley plant undergoes renovation and is only home on weekends.

I'm selling off many 356 parts that I haven't used in years and don't see a foreseeable need. I have some duplicate Porsche literature that needs a good home. For example I have the original 'Excellence' and the later 4 volume set, still sealed in factory wrappers. I have a set of Pellow's works including the videos. I also have some early VW parts and literature...

Recently there has been some discussion about serving alcohol at KY PCA events. I contacted National and received an 'official reply' and it has been forwarded to Steve McCombs for review.

Another item of discussion is the 'policy' of buying dinner for folks that attend our regular monthly meetings. It only benefits the locals that come to meetings and the \$300/400 spent per meeting can be put to better use. I don't think we should be buying drinks at the meeting dinners because of the potential liability issue. If our members can afford a Porsche they can surely afford a modest meal at the meetings. I have never taken advantage of the free dinner offer but I have accepted a beer occasionally.

Another item that has come up is the Pacesetter and how it is distributed. Some folks would like it by electronic means. The Pacesetter is on the KyPCA website www.kypca.org and available to all. Very simple, if you prefer to read it on the website and don't want the paper copy, just contact me and I will delete you from the bulk mail list.

We have been encouraging folks to sign up for the yahoo list. To sign up, go to <http://autos.groups.yahoo.com/group/kypca/>. This is a forum for instant messages that is available to all. It is simple to sign up and any notifications will be sent direct to your e-mail account.

TV commercials are always fodder for comment. Without mentioning names, watch how one female spokesperson reminds me of bobble head doll. News teasers have always p*** me off ('the world is coming to the end, details at 11'). Weathermen (and women) also tease with 'details later'. I have always wondered if the weather reporters get paid by the word. They ramble on and on and finally get to the point. I have also noticed that the sportscasters have a difficult time hiding their team bias.

Recently a friend just put a deposit down on a brand new Porsche and mentioned it on Facebook. He said "I can't wait for the new 911 to arrive". Next thing he knew, 4000 'radicals' added him as a friend.

Indoor Winter Concours in Cincinnati

Good evening fellow PCA members. Last February proud Porsche owners from several regions of the Porsche Club of America brought over fifty concours quality cars to display at the first annual Indoor Winter Concours held in the beautiful 50,000 square foot facility at Porsche of the Village in Cincinnati. Inspired by the TV commercial, it was labeled "The Porsche Family Tree..." The webmaster for Porsches 2 Oxford, Chris Rieman produced a spectacular production of the show which you can view at the following link: <http://www.youtube.com/watch?v=pEirgCyKB8o>.

You and your fellow KYPCA members are invited to the second annual Indoor Winter Concours Saturday, February 26th, from 5:30 to 9:00. The theme is Porsche's latest hallmark, "Porsche Intelligent Performance". In tune with this we're looking for more competition and performance cars. We'll also decorate the front windows again with as many 356's as we can accommodate. Are there any 356's, historic or current competition cars, or late model high performance Turbo or GT cars you suggest we invite to the event? You can notify Bruce of your nominations at BHarnish@PorscheoftheVillage.com or (937) 672-9417. Cars can be received as early as Sunday the 20th.

The event is no charge, but guests are being registered so food and beverage service can be planned. Champagne and light hors d'oeuvres will be served with Chef Dan Knecht providing a live cooking demonstration. Please RSVP with Amanda at Amanda@TheAutomile.com, or (859) 468-7566. After the Concours we hope you'll join us just a couple blocks away at the National Exemplar for the after-party party. This will be a cash bar. If you're traveling from a distance, we suggest you stay next door at the historic Mariemont Inn: www.mariemontinn.com/.

With fifteen or more 356's from enthusiasts' clubs, a timeline of fifteen or more historic competition cars, a collection of fifteen or more Driver Education, Club Race, Cayman Interseries, Grand Am, and ALMS cars, and twenty or more late model high performance Turbo's and GT Cars, we'll have plenty of Porsche performance on display. Last year's event was attended by nearly six hundred guests. We hope you can join us for the show.

We also hope you can join us and our special guest, the racing legend Bobby Rahal and some of his cars, at Porsche of the Village later this year on Saturday, October 29th from 7:00 PM to Midnight for our Ohio Valley Region's 50th Anniversary Celebration. It's the perfect date to see Bobby Rahal, our keynote speaker, along with 399 of your like-minded Porsche friends and their guests. Reserve your seat now at www.clubregistration.net. Tables for eight are available. Catch up with friends and club members old and new, feast on dinner and wine pairings, and dance to an evening of big band sounds by Swingtime. Sunday morning, October 30th, fuel up on a delicious brunch with us at the Mariemont Inn and prepare to embark on the rally immediately following.

Happy New Year! We hope to see you soon.
