Dan Stewart's Trip to the Porsche Factory Museum Oct. 2009—I found more photos

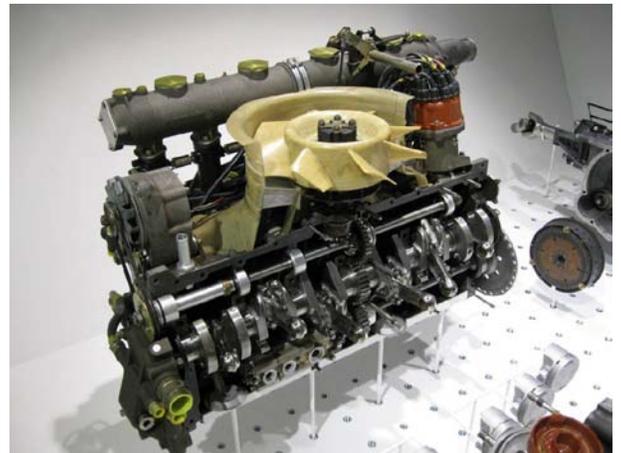

911 GT1

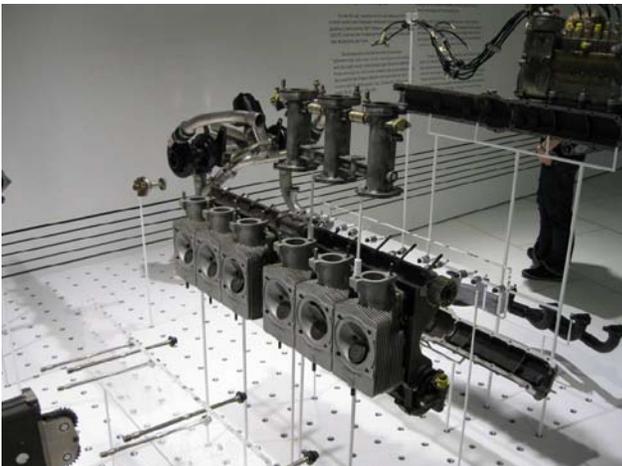

911 Turbo Prototype from 1975

917 Engine parts

917 engine cutaway view

917 engine cylinder heads- notice similarity to 911 heads

Editor's note—I was looking back through my files and found that I still had some unprinted photos from Dan's trip. I'll try to get them in soon. Thanks again Dan!!

Diagnostically speaking, there is no substitute.

The best equipment. And the best minds trained to use it. These are your Porsche certified technicians. Dedicated to Porsche vehicles above all else, they must complete over 80 hours a year training in the latest diagnostic technology and techniques. You'll also take comfort knowing all Porsche genuine parts are factory-backed for two years when installed by your authorized dealer. Better still, there is no substitute for having your vehicle serviced by professionals who not only know Porsche, but live Porsche every day.

Porsche Certified Service.

Saturday Morning Breakfast Social

The Saturday morning Breakfast Socials are held the first Saturday after the monthly KyPCA meetings. They are at the Frisch's just off the Watterson (I-264) and Poplar Level Road (exit 14) here in Louisville, first coffee is at 8am.

The only purpose is to get together with other Porsche owners for a very informal breakfast and BS session before starting the Saturday 'Honeydoos'. Sometimes there is a Saturday drive or event and this can be the start place. Or maybe we will visit someone's garage for a check on a recent project, being it a car restoration or other project of interest.

The breakfast buffet at Frisch's is pretty good or you can order off the menu and they keep the coffee coming.

Mark your calendar for the monthly meetings AND the Saturday Breakfast. If you are not a 'meeting' kind of person, surely you can join us for breakfast.

Don't forget to drive your Porsche, as we often have parking lot 'tech and admiration' sessions.

No reservations required, just show up....Any questions or comments, feel free to contact me.

Greetings to all Porsche friends,

SIR is planning a drive to French Lick/West Baden on Sat., May 28th. We will get there in time for lunch under the dome of the West Baden Hotel. If you've not been there, it is a fantastic place returned to it's glory of the 1920's. There is a website for French Lick/West Baden <http://www.frenchlick.com/hotels/westBaden/>

The lunches under the dome are affordable and the surroundings are great. There are shops in the hotels and beautiful grounds to explore.

Also planned for that weekend at the hotels is the World Class Driving event where there will be a large grouping of "supercars" that individuals have signed up for driving experiences on the roads surrounding the hotels. There will be many cars that you rarely get to see up close as well as a representation of Porsches.

If your region is interested in meeting us there that day, please let me know and we will coordinate.

Have a great drive somewhere every day,
Mark Roethemeier

Drive to Elk Creek Vineyards Rescheduled

Our Club's first drive of the season will be to the Elk Creek Vineyards on Saturday, May 21st. They're located in Owenton, Kentucky, south of the Sparta Exit # 57 on Highway 71 North. However, we'll be taking the back roads to get there. Plan on spending the afternoon, as we'll grab lunch in their cafe upon arrival, then take a tour of the winery, look at the vineyards, learn about growing grapes and winemaking (and taste some wine too). We'll take the highway back to Louisville after the visit. Let's meet at the park directly across the street from the Porsche Blue Grass Dealership at 10:45 AM and plan to leave at 11 AM. It is a one hour drive home, so we won't be home until late in the afternoon. Note that this is a good weather only event. We will have to reschedule if the weather bad. You can get more information about the winery at: www.elkcreekvineyards.com. Please join us for a fun drive and a great afternoon learning more about wine. Hope to see you there!

Cars 'n Coffee

By Steven Rountree

Cars 'n Coffee is always held on the second Saturday from 9-11AM in the parking lot of the Prospect Pointe Shopping Center on US Hwy 42 where the Java Brewing Co. is located. This casual meeting involves anyone interested in all types of cars. It's a free event, however it is a benefit for Dystonia, so please make a donation and/or buy some coffee to support the cause. It is weather-pending, but only depending on what conditions you're willing to bring out your Porsche. Just show-up whenever you can. March had a very good turnout so I would suspect that April will be the same. Who knows, maybe some of us will go for a drive afterwards?

Steven Rountree

Monthly Membership Meeting Minutes—April

By Chad Rainey, KY Region Secretary

Monthly Membership Meeting Minutes

Date: 4/11/2011

Location: J Alexanders

Officers Present: Jeremy Miller, VP; Richard Darnell, Treasurer; Chad Rainey, Secretary

Board Members Present: Jason Miller

Chairs Present: Steven Rountree, Activities Chair; Mark Bos, Website Chair; Belinda Schweinhart, Newsletter Editor

Attendance: 14 members

● Steve was out of town so Jeremy kicked off the meeting after dinner. F1 racing is in season, so if you haven't checked it out, it is some good racing!

● HPDE (high performance driver education) coming up in June. Registration will open for the event around 6 weeks prior. The host hotel is the Cambria again this year. Two of Porsche's drivers will be available again to take you around the track! Also there will hopefully be a few special cars at the track – stay tuned!

Volunteers are needed for the DE events. If you would like to know more about opportunities or want to help out, please contact Jeremy Miller. Dan Stewart will be our Chief Instructor since Chuck will be at the F1 race that weekend.

● Richard says we have approx \$22k in the bank and a \$19k track bill coming up soon. Once track registration starts the bank account will go back up.

● Steven is looking for activity ideas. If you have some suggestions, please let him know. He mentioned maybe an overnight activity and doing a charity event. He is looking to do a tech session at Tony's shop one month for our meeting as well.

● **Upcoming events this year:**

Cars and Coffee at Java Brewing in Prospect – each 2nd Saturday of the month, 9-noon

Faith Assembly of God's 2nd Annual "Streets of Gold Car Show" - May 28, 9-3 at Bullitt County Fairgrounds - \$10 car entry donation

KYPCA Summer Heat HPDE – June 10-12

Vintage Grand Prix at Mid-Ohio, Porsche is the featured marque – June 24-26

Keeneland Concours d'Elegance - July 14, 15, 16, 17 (Concours on Saturday July 16) – stay tuned for club drive to

2011 KY SCCA Autocross

www.kyscca.com

Save the dates! Below is the 2011 autocross schedule. These dates are subject to change. There is one small change this year. Due to requests to have more events on Sundays by our membership we will be having several Sunday events at Papa Johns. However, Wilder Park has requested that we do not start the first car until noon on those dates only, which has been noted. All of the other dates will have a normal start time of 11:00 am.

Event is subject to cancellation due to weather.

PJCS = (Papa John's Cardinal Stadium)

UPS = (UPS Grade Lane Employee Parking Lot)

 portional to the reach.*

Ken's Ramblings....

I see gas prices continue to rise. It seems that here in Louisville the 'dealers' always up the price during Derby, Labor Day and Memorial Day weekend as well as other family travel weekends. It always goes up during the Street Rod Nationals. Other than my suspicions of 'gouging' I will add other factors to the increase. It's political, pure and simple. The ban on offshore drilling also had some effect. We have oil reserves but we will not use them. We have laid off oil workers, but won't put them back to work. I have suggested before that we link the price of 'wheat' to the price of a barrel of oil. \$110 per barrel and \$110 per bushel of wheat. Let them just try to make bread with oil. I blame Urkel for this mess.

Don Riley lost his battle with cancer this week. Don was a KYPCA member 'back in the day' and a very active part of the Huffman collection of 356's.

The cab is coming along slowly. For now, Andy has stepped back and is working with John Howe to fix some details on Johns Black Conv D including a new correct top.

The Okrasa engine is coming along slowly also. Quite a challenge. Many parts must be fabricated and others restored from parts not made since 1959. I have a full set of the literature for the kit, unfortunately most is in German with only a few pages translated. The good news is that there are several pictures and they need no translation.

Parallel to the Okrasa project I am also building a 1953S engine from my private stash of parts. No particular need for it, I just want to assemble all the parts into a complete motor with a few goodies, like big bore (1600cc vs 1500), lightened flywheel (to SC specs), fully balanced and detailed. Why ??? I dunno, just because. :-)

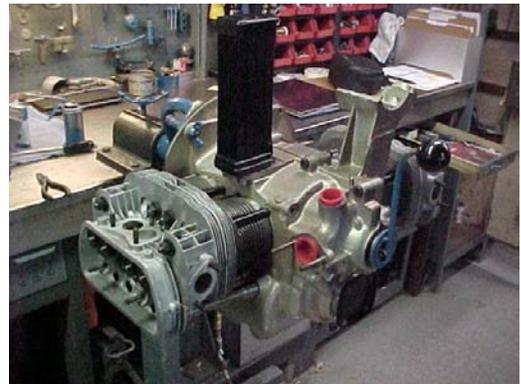

Many will recall the blue Gmund coupe in the Neil Huffman collection. Rhodes Scholars in the Carolinas is restoring it for Pebble Beach. I will be providing the correct 1949 version muffler for the Gmund Coupe.

After all the hoopla about getting the Pacesetter online and opting out of a paper copy, of the 220+ that I mail out only 4 folks have elected to get the online version. Yes it does have better pictures but I guess many like the feel of paper and the paper Pacesetter probably fits the bathroom magazine rack better. If you prefer to opt out of the paper version, or return to the paper version, just contact me and its only a keystroke to make the change. Save a tree, make a dog happy.

The Stoddard Swap meet will be on the weekend of 10 & 11 June. This year it will be at their new location. Check www.stoddard.com for details. As usual, we will be taking a truck load to 'unload'. This is the 24th annual swap meet. I think I have only missed one :-)

The Tenn Tubs BBQ is coming up in May, again we plan to meet up with the folks at Bowling green for a day of good food and good folks.

I will be selling my Airco model 150DC Heli welder, solid state TIG welding machine. It has served me well but since I am now out of the 'welding business' and Andy has a TIG machine, this one is surplus to our needs. I paid about \$1400 for it a few years ago and it comes complete with a

(Continued on page 13)

wheeled dolly, gloves, and operating manual. First \$1200 gets it. It is like new with only a few hours. It was used to fabricate the pre A mufflers. Perfect for a hobby garage or light manufacturing.

I want to die while asleep like my grandfather, Not screaming in terror like the passengers in his car.

Ken Daugherty
Certified and licensed Curmudgeon
kend356@insightbb.com

Hi Fellow Porsche Pushers and others,

In what has become an almost annual event, I will be offering burgers and dogs at my home (245 Bent Creek Dr, Bowling Green, KY) Friday evening May 20th from 5PM on...as a prelude to the drive down to Cal Turner's farm west of Nashville the next morning, Saturday;

Please pass this invitation along to others I may have missed that plan to make the drive or just want to enjoy a night of car talk on the back porch.

A head count would be handy for planning purposes. I will have non-alcoholic refreshments to enjoy with the burgers and dogs so BYOB if that is your alternative preference.

See you here !

Richard Collins
